| Oven light         | Interior light included for easy viewing                                                                                                                                                                                                       |
| Waist-high broiler | Broiler is located inside the oven, making it easier to use                                                                                                                                                                                    |
| Backsplash         | High backing prevents stovetop contents from splashing up or boiling over and staining back walls                                                                                                                                              |
| Four cooking zones | Surface features one 8" and three 6" coil elements to accommodate a range of sizes and cooking needs                                                                                                                                           |
| Safety elements    | Designed to comply with the latest UL safety standards, each coil element is equipped with a sensor to cycle off if the temperature nears the flashpoint. Coils will resume heating shortly after, causing little interruption to your cooking |
| Upfront controls   | Control panel is conveniently located to prevent users from reaching over hot cooktop surface for adjustments                                                                                                                                  |
