

# SDR30

17.75" x 29.5" x 22" (H x W x D)

30" wide single drawer all-refrigerator approved for residential and commercial use, built-in capable or freestanding, with digital thermostat, frost-free operation, and panel-ready stainless steel drawer

### Highlights:

Commercially approved to ETL-S to NSF-7 and UL-471 standards for commercial settings

Flexible design allows built-in or freestanding use in 30" wide spaces

Panel-ready drawer allows you to create a truly custom look for your space

### Product Features:

|                                     |                                                                                                                                                                        |
|-------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 30" wide single drawer refrigerator | 2.5 cu.ft. all-refrigerator in a single drawer style                                                                                                                   |
| Commercially approved               | ETL-S listed to NSF-7 standard and meets UL-471 for use in commercial settings                                                                                         |
| Built-in capable                    | Front-breathing design allows you to build the drawer into cabinetry                                                                                                   |
| Panel-ready drawer front            | Drawer accepts an overlay panel to let you seamlessly blend the unit into an existing cabinetry design (panel dimensions: 15.6" H x 29.5" W at 3/4" maximum thickness) |
| 304 grade stainless steel drawer    | Drawer front and interior constructed from stainless steel for added durability and easy cleanability                                                                  |
| Frost-free operation                | Minimum user maintenance with a fully no-frost operation system                                                                                                        |
| Digital thermostat                  | Electronic controls located on the top drawer ensure easy temperature management, with an external readout of Celsius or Fahrenheit                                    |
| LED lighting                        | Elegant LED lighting in a gentle white hue illuminates the refrigerator for an easy view of the interior                                                               |
| Drawer divider                      | Removable divider makes it easy to organize stored items                                                                                                               |

SDR30 Specifications:

| Overview                   |                             |
|----------------------------|-----------------------------|
| Nominal Height             | 18.0" (46 cm)               |
| Height of Cabinet          | 17.75" (45 cm)              |
| Nominal Width              | 30.0" (76 cm)               |
| Width                      | 29.5" (75 cm)               |
